Are You Ready For College?

Student's Step-By-Step Planning Guide

REMEMBER...DON'T WAIT, START NOW!

Discover the possibilities for life after high school. If you've decided to attend college, or even if you're not sure yet, you'll find this planning guide helpful as you prepare for the career of your dreams.

JUNIOR YEAR - FALL

- Start investigating post-high school education opportunities and research the different types of schools and training opportunities available.
- Choose a specific career that you'd like to pursue and visit with your high school guidance counselor regarding schools that will fulfill your educational and career goals.
- Review your recent and current class schedules with your school counselor to verify that you have taken, or are taking, those classes that will help you succeed in college and in your career.
- Attend career and college fairs and presentations.
- List the schools you are considering and send for literature. Request their admissions and financial aid information. Find out if the school requires ACT or SAT. Also ask how many applications they require, such as for admission, financial aid, and scholarships.
- Maintain good records during this entire process. Make copies of everything you send.
- Read all college materials you receive carefully. Decide what you want from an institution: major, location, athletics, reputation, etc. Then, compare the requirements for admission and financial aid.
- If you did not take the Preliminary Scholastic Aptitude Test (PSAT) in the 10th grade, take it now to prepare for college admission's tests and to establish eligibility for the National Merit Scholarship.
- Acquire a study guide for the ACT/SAT and start to prepare for the test.

JUNIOR YEAR - SPRING

- Take the SAT and/or ACT (depending on what is required by the institutions you're interested in attending). Your high school guidance counselor can provide you with the test dates and descriptive brochures.
- Start to narrow your list of post-high school options. Make plans to visit the facilities that are most appealing to you.
- Research scholarship opportunities and visit at least two types of colleges; i.e., large/small, community college/university, academic/technical.
- Contact organizations sponsoring scholarships that you're eligible for and request information.
- Develop a resume of high school activities and awards, if you haven't already done so, and update as needed.
- Find a summer job to set aside money for school.
- Start submitting applications to schools of your choice. Some colleges will accept applications once your junior year is completed. Keep copies of everything you send.

SENIOR YEAR - FALL

- Double check that you are taking the courses that will meet the admissions' requirements of the post-high school institution that you are planning to attend.
- Take the SAT or ACT again if you need a higher score to meet admission requirements, to be eligible for certain scholarships, or if you didn't take it your junior year.
- Apply to the colleges you are considering EARLY. Generally,

during December, January, or February you may apply for regular admission.

- Watch for important scholarship and financial aid information and visit your counselor for scholarship opportunities and applications. Be aware of deadlines and plan accordingly.
- Think about what you want to say in your college essay.
- Ask teachers to write letters of recommendation for you if they are required for admission or scholarships.

SENIOR YEAR - WINTER

- Work with your parents to collect financial aid information and attend financial aid workshops together.
- Pick up and submit financial aid application. The most commonly used form in Idaho to seek federal financial aid is the Free Application for Federal Student Aid (FAFSA). Get it ready and mail the FAFSA after January 1. You may also need to fill out a separate form for institutional or state aid.
- Keep working on scholarship and financial aid applications. Remember to respond immediately to any requests for more information or for additional documents in your financial aid application.
- Who's home from college for the holidays? Visit with them about their college experience.
- Remind your parents to prepare their income tax statements as early as possible, since a photocopy of their return must be sent to most schools to which you have applied.

SENIOR YEAR - SPRING

- Read all of your mail!! There may be important news.
- You should be hearing from colleges now. After you receive letters of acceptance and financial aid awards, decide which school you'll attend.
- Mail in your acceptance form and deposit check as soon as possible. Pay attention to all deadlines and make sure that your applications are sent in on time. Ask about campus housing deadlines, specifically, because student housing fills up quickly.
- Review the financial aid package of the school of your choice with your parents. Be sure you understand each type of aid offered. Schedule an appointment with the school's financial aid director if you have questions. Don't forget to sign the financial aid award letter and return it by the deadline.
- Notify the financial aid office of the scholarships that you are receiving.
- Decline offers received from other institutions or organizations in writing.
- Complete any separate applications for loans you decide to accept.
- Participate in orientation programs for incoming freshmen offered by the school of your choice.

Congratulations on graduating from high school and good luck in your new adventure!

<http://www.boisebible.edu>

Since Boise Bible College (BBC) was founded in 1945, its purpose has been to train young men and women to be servant leaders in the church around the world. BBC graduates have literally served around the world and continue to lead people to a deeper understanding of God's will for their lives.

We help students understand God's will and Word and how to apply them to their lives.

Many of our students prepare for full-time ministry in churches, while others use their education here as the base for future studies.

BBC exists to raise up leadership for the Lord's church by preparing students for full-time ministry, to serve as church leaders, and to provide students with spiritual enrichment.

Doctrinal Position and Denominational Affiliation

Boise Bible College makes no apology for its conservative theological position. The faculty, staff, and administration believe that what we read in God's Word is precisely what God meant to say, and that we are all called to holy living and submission to Him and His Word.

You are welcome to study at Boise Bible College regardless of your church affiliation if you name Jesus as your Lord and Savior and are seeking to govern your life by His Word.

Our college is not a part of any denominational system, but it is associated with and supported by independent congregations which are generally called Christian Churches or Churches of Christ.

Campus Life

BBC's suburban campus in western Boise is a quiet, safe place to live, study, and play. Campus housing is available for single students. The Boise River Greenbelt is five minutes from campus and rock climbing or mountain biking in the Foothills is nearby. The Freshman Whitewater Rafting Trip during Orientation Week along with special planned events help new students adapt quickly to student life and make friends at BBC.

Student Opportunities

BBC students are given the opportunity to participate in many on campus events, committees and ministries.

- Mission Trips
- Intramural or City League Sports
- Various Committees
- Event Planning
- Local Church Involvement

Academic Programs

Boise Bible College is accredited by the Association for Biblical Higher Education (ABHE). 5850 S Semoran Blvd Ste 130, Orlando, FL 32822. www.abhe.org. Degrees offered at BBC are Bachelor of Arts, Bachelor of Science, and Associate of Science. Students may also pursue one-year Bible certificates or take advantage of one of the cooperative transfer agreements BBC has with other colleges and universities. All four year graduates receive their first major in Bible. They then choose a second major in whichever field of ministry they are planning to work in. Our programs include Preaching, Youth Ministry, Worship Ministry, and Missions (just to name a few). We offer 12 degree programs. The two year graduates also receive their first concentration in Bible and then choose between five programs available to them for ministry training. The Bible Certificate is a one year program designed to give a sense of purpose to your studies and a sense of completion once the year is through.

Financial Aid

It is the fundamental purpose of our financial aid program to help all qualified students obtain a Christian education at BBC. BBC offers In-House Financial Assistance as well as Federal Assistance. BBC award In-House Scholarships for

academics, early applications, and ministry involvement. Both the FAFSA and a BBC application are required for financial aid consideration. BBC now offers a Junior Scholarship for students applying during their Junior year of high school. It is worth \$4,000. All juniors interested must complete their application by June 30.

Admissions Requirements

Students are granted acceptance based on criteria such as leadership, character, and academic eligibility. Prospective students must submit:

- BBC Application, \$25 Fee, Essay, and Photo
- Recommendations from a Minister, Teacher, and Personal Reference.
- Official HS Transcript with a CGPA of 2.0 or higher, or GED
- ACT Score of 17 or SAT Score of 1300

Types of Awards

Most Boise Bible College scholarships are based upon the Application for Admission. Some have extra requirements.

- Early Acceptance
- Academic Scholarship: Based on GPA
- Need: Based on Free Application for Federal Student Aid (FAFSA)
- Degree Specific: Separate application and recommendations required
- Music Performance: Audition required

BOISE STATE UNIVERSITY

Opportunity is what sets Boise State apart. As a student, you'll quickly discover that creating opportunities for you is our top priority. The more the better, we think. Opportunity guarantees your success, whether it's in the classroom in the lab or on the playing field and provides you with a university experience like no other.

Academic Information

Actions speak louder than words at Boise State, where academic excellence in over 190 fields of interest is supported and rewarded.

- In U.S. News and World Report's annual "America's Best Colleges" issue, Boise State University was ranked the number three "top up-and-coming schools."
- Student involvement in research is one of the hallmarks of Boise State. The Annual Undergraduate Research and Scholarship Conference provides students an opportunity to share their research projects and be recognized for exceptional work.
- The Center for Environmental Science and Economic Development, a facility dedicated to creating a dynamic new focus on issues central to the region and state's future vibrancy will open in the fall of 2011.
- Boise State's College of Engineering was ranked 15th among comprehensive public university undergraduate programs by U.S. News and Report.
- "Finish in Four" guarantees that students who follow a planned course of study can complete their degree in four years.

Boise State students have a record of success on and off the blue turf:

In April 2010, at the 2010 National Comprehensive Tournament in Minneapolis, Minn., two Boise State Speech and Debate team members won individual national championships in their events. The Boise State Speech and Debate Team won fourth overall.

For the second year in a row, criminal justice students in Boise State's Alpha Phi Sigma Honor Society took home more awards than any other student chapter at the annual Academy of Criminal Justice Sciences and Alpha Phi Sigma Honor Society conferences held concurrently in San Diego, California in February 2010.

Construction management students in Boise State University's College of Engineering received awards in four categories at the recent Associated Schools of Construction Inter-Scholastic Regional Competition and Conference held in February in Reno, Nevada.

Opportunities for Students

Our location in Idaho's capital city and center for business, arts, education and technology creates an abundance of opportunities for Boise State students.

- Students can become involved with Service-Learning, a program that fosters active citizenship and enhances learning through academically-based community service. Currently there are 100 courses, 80 faculty, 2,000 students and 80 community partners involved in the program.

- More than 2,000 Boise State students contributed nearly 52,000 public service hours to Treasure Valley non-profit agencies. Engineering students partnered with Living Independence Network Corporation (LINC) to create adaptive devices for people with disabilities.

Campus Life

Students from all 50 US states plus 60 countries share and participate in a rich environment where diversity is celebrated. The 67,000 square foot addition to our newly remodeled Student Union Building is a vibrant center for campus life, just minutes away from Bronco Stadium, Taco Bell Arena, the Student Recreation Center, and University Housing

Campus Clubs/Organizations

There is always something to do in over 200 clubs and organizations at Boise state, including:

- Academic clubs
- Student government
- Professional organizations
- Political and social action groups
- Intramural sports teams
- Religious organizations

Cultural Events and Entertainment

Whether you prefer sports, live concerts, movie-going or a march for human rights, there are activities to appeal to every taste. And you'll enjoy it all while living Boise – named in the top ten cities of the "Best Places to Live for 2009", according to U.S. News. Just across the river from campus, you'll find the Boise Art Museum, Ballet Idaho, Basque Museum and Cultural Center, Black History Museum, and other great venues. For pure entertainment, check out Rhodes Skate Park, Alive After Five, Capital City Farmer's Market or shop at Boise Towne Square.

Sports and Recreation

NCAA Division 1-A, Western Athletic Conference (WAC).
Seven men's sports and 10 women's sports.

Facilities:

The Stueckle Sky Center stands out as a premier entertainment and sporting venues in the West.

A new Aquatics Complex opened in the fall of 2010.

Outdoor opportunities such as alpine skiing, mountain biking, 25 miles of hiking and biking trails on the Boise River Greenbelt and whitewater rafting are within 30 minutes of campus.

Off-campus, you can cheer on Boise's many professional athletic teams, including Boise Hawks baseball, Idaho Steelheads ice hockey, Idaho Stampede basketball and Boise Burn arena football.

Student Services

- Health, Wellness and Counseling Services
- 15 free computer labs with wireless access, plus free laptop check-out in the Student Union Building and in the library
- The Career Center assists students in finding employment while in college and after graduation.
- Disability Resource Center
- Cultural and Women's Centers
- 24-hour campus security

Admission Requirements

Freshman admission is based on an index that uses GPA and ACT/SAT scores. The index gives more weight to high school grades than test scores. Students must complete the Idaho Admission Core classes for general admission. Plan to apply early in your senior year.

admissions.boisestate.edu/freshman

Prospective Students Must Submit

- Admission application by June 30, 2011
- \$50 application fee
- Official high school transcript
- ACT or SAT test scores

Financial Aid

Boise State distributes more than \$124 million annually in financial aid and participates in all federal and state aid programs, including grants, loans and college work study.

- Merit: Scholarships are based on scholastic achievement and involvement. Admission application materials and the Supplemental Scholarship Application must be received by February 15, 2011 to be considered.
- Performance Scholarships available for art, music, theatre and athletics (audition required).
- Need-based: Students must file the Free Application for Federal Student Aid (FAFSA). February 15, 2011 is the priority deadline.

Housing

- Residential colleges create a bridge between living and learning. Students with similar academic interests and goals are joined by faculty-in-residence. Residential Colleges include Arts & Humanities, Civic Leadership, College of Business and Economics, Engineering and Health Professions. Additional communities include the First Year Focus, Global Village, Lifetime Recreation and the Second Year Community.
- Rooms include free internet and phone access, air conditioning and cable television. Single and double rooms are available as well as a variety of floor plans.

Campus Visit Opportunities

BYU-Idaho develops students academically, spiritually, and socially. This well-rounded approach prepares graduates of high moral character to be innovative and flexible contributors to the changing world that lies ahead.

Founded in 1888, the school has distinctive qualities known as the "Spirit of Ricks." A tradition of service, hard work, friendliness, and compassion has bonded the students, faculty and administrators for more than a hundred years. BYU-Idaho pledges to preserve and enhance the "Spirit of Ricks."

BYU-Idaho is centered on the student. The faculty is based on the scholarship of learning and teaching. Everyone at BYU-Idaho is a teacher. For more information, visit www.byui.edu/admissions.

Academic Information

BYU-Idaho offers approximately 17 Associate and 70 Baccalaureate degree programs. Bachelors degrees are divided into two categories: integrated and specialized. Specialized Bachelors degrees require students to complete 70 credit hours in their major area of study. This type of degree is the usual offering at colleges and universities. Integrated Bachelors degrees are an offering unique to BYU-Idaho. Integrated degrees require a student to complete 45 credit hours in a major. The remaining credits can be tailored to a student's specific postgraduate intentions and interests. Integrated degrees give students a broader learning experience. For a complete list of majors, please visit www.byui.edu

Get Informed

There's a lot you can do right now to prepare yourself for a great experience at BYU-Idaho. Whether you've got questions about financial assistance, academic programs, housing options, church involvement, participation in over 200 student involvement organizations, or any other area of BYU-Idaho life, the Admissions website at www.byui.edu/admissions is a great place to start!

BYU IDAHO

Financial Aid

Don't let the cost of college be a reason not to attend BYU-Idaho. There are several services provided by the BYU-Idaho Student Financial Aid Office that can help students pay for their education. These services include grants, scholarships, loans, federal financial aid, and state financial aid. Learn more at www.byui.edu/financialaid.

Admission Requirements

BYU-Idaho exists to provide an education consistent with the religious and family values taught by The Church of Jesus Christ of Latter-day Saints. We admit persons without regard to gender, race, creed, religion, national origin, age, or disability who meet the requirements; who agree to abide by the Honor Code and Dress and Grooming Standards; and who are otherwise qualified based upon available space.

In selecting a class of about 4,000 new freshmen, the admissions committee considers the following: church and seminary activity (LDS), personal commitment to living the standards, academic preparation, ACT or SAT, out-of-class activities, and an essay.

Three Track System

BYU-Idaho operates year-round with three distinct 14-week semesters: Fall, Winter, and Spring. Each student is admitted to a track consisting of two semesters: Fall/Winter, Winter/Spring, or Spring/Fall.

Students can only enroll in classes during their assigned track and they must remain on the same track through graduation. Because of the Three Track System, BYU-Idaho is able to admit over 3,000 students each year who would otherwise be turned away due to limited space and resources.

Apply On-Line

You may apply online for admission at www.besmart.com. For additional information about the admissions process, helpful checklists, admissions programs, and more, please visit www.byui.edu/admissions.

Application Deadlines

To be considered for admission, all parts of an application must be submitted by the deadline.

To Begin Spring or Fall Semester

Priority review – December 1
Final Deadline – February 1

To begin Winter semester

Final Deadline – October 1

Campus Visits

There's no better way to feel the 'Spirit of Ricks' than by visiting BYU-Idaho's campus in person. These visits can help you not only get a better feel for campus, but also give you time to talk to current students, meet with Admissions counselors, visit other student services like Student Financial Aid, Housing, Career & Academic Advising, and more. For scheduling information and to learn more about our different campus visit options, please visit www.byui.edu/visitcampus.

The College of Idaho (C of I) is a reputable liberal arts college located in Caldwell, Idaho. Liberal Arts means you will study everything from botany to business and from Plato to physics. The liberal arts curriculum will help you find your passion and give you an edge with employers looking for people who can think on their feet and adapt in a rapidly changing world.

Academic Information

Since its founding in 1891, The College of Idaho has had a reputation for preparing students for success through a rigorous academic program grounded in the liberal arts and sciences. While the academic course work is challenging, you will have all the support you need to succeed. One of the most distinctive aspects about C of I is the relationship between students and professors. Students interact with professors in the classroom and develop friendships with teachers who often become mentors for life.

Distinctions: P.E.A.K. Curriculum

The College of Idaho has introduced an exciting new curriculum this year, entitled P.E.A.K: Professional Ethical Articulate Knowledgeable. P.E.A.K is The College of Idaho's interpretation of the liberal arts in action. The P.E.A.K Program is designed to "prepare students to lead fulfilling and productive lives" through its unique interdisciplinary core curriculum. Students will become efficient in each of the 4 P.E.A.K's (Social Sciences & History, Natural Sciences & Math, Humanities & Fine Arts, and Professional Studies & Enhancement), thus developing greater breadth and depth in many different areas. "Climb Higher, See Farther" at The College of Idaho!

Travel

Learning extends well beyond the classroom at The College of Idaho. Forty-five percent of C of I students study abroad. The college's unique schedule provides many opportunities for travel. During the Winter Term, students are invited to broaden their horizons during faculty-led study-abroad trips. Students have recently studied in Thailand, London, Australia, Costa Rica, France, Germany, and Peru.

Student Success

The College of Idaho has a long-standing track record of providing students with the tools necessary to find success in their chosen field, or to continue their education at some of the country's top graduate programs (Harvard and Stanford Medical Schools, Rutgers Law School, and Oxford University,

to name a few). About half of all C of I graduates decide to go on to pursue an advanced degree in their field, and 96% of C of I graduates either attend graduate school or are employed six months after graduation. Dedicated faculty and our Center for Experiential Learning help students obtain internships and, after graduation, assist with career placement.

Beyond The Classroom

With more than 60 student organizations, something is always happening on campus. The organizations range from improv theatre to international student clubs to service group Circle K International. Students will also find an active Greek community with seven fraternities and sororities on campus. The Campus Ministries program allows students to grow spiritually as well as socially and academically during their college career. The program is non-denominational and offers late night worship services, small-group Bible study, and service trip opportunities.

Housing

The College of Idaho is a residential campus and offers a variety of housing options for students. There are five co-ed residence halls, including the newly refurbished Simplot and Hayman Halls. There are both single and double rooms available. All halls are equipped with a full kitchen, computer lab, free laundry facilities, and common lounges. All rooms have their own air conditioning and heating units. The Village apartments and campus houses are available for upper classmen living options as well.

Sports and Recreation

C of I students are just as competitive on the playing field as they are in the classroom. In fact, The College of Idaho has recently set a new NAIA record, with 46 Academic All-Americans! With 19 intercollegiate sports, there are plenty of opportunities to get in the game as a team member or as a screaming 'Yote fan. There is also an active intramurals program as well as a student led Outdoor Program.

Admission Information

Non-binding admission is offered on a rolling basis until the class is full. The free application is accepted as early as April 15th of the junior year of high school.

Admission Requirements

- The C of I or Common Application
- Official high school transcript
- ACT or SAT scores (including writing section)
- Letter of Recommendation
- Personal Essay
- An interview is recommended but not required

Scholarships & Financial Aid

The College of Idaho is committed to providing access to all qualified students.

- 98% of students receive either financial aid or scholarship.
- The Kathryn Albertson Scholarship Competition is an on-campus scholarship competition in November. Contact the Admission Office or website to register!
- Contact your Admission Counselor for more financial aid information.

Campus Visits

The best time to visit campus is during the week when classes are in session. Calling ahead to schedule a visit is recommended, and allows the Visit Center to personally tailor the visit to fit the student's interest.

The College of Southern Idaho is a two-year community college offering a broad range of programs and services in a supportive learning climate. Our spacious 300-acre campus is located in Twin Falls (population 40,000). Since opening in 1965, CSI's enrollment has grown to more than 7,000 students. CSI is an ideal choice for students who seek a first-class education in a caring environment where students are treated as people not numbers. Amid rising college costs, CSI offers an affordable option.

Academic Information

The College of Southern Idaho (CSI) awards associate degrees in Arts, Science, and Engineering in more than 75 academic majors designed for transfer to four-year institutions. CSI also offers training in 45 technical programs that lead to a one-year Technical Certificate or a two-year Associate of Applied Science degree.

Opportunities for Students

Transfer Credits: An Associate degree from CSI fulfills the general education requirements at Idaho's public four-year institutions. CSI credits are widely accepted by private and out-of-state institutions, too.

Honors Program: Accomplished students can enhance their education through participation in various seminars, conferences, projects, and field trips.

Advanced Placement & CLEP: Contact Admissions about advanced placement and college credit through challenge tests.

Technical Programs

- State, regional, and national award-winning programs
- Well-equipped labs with the latest technology
- All programs emphasize on-the-job training

Campus Life

Dances, movie nights, and coffee hours are scheduled each month, along with a sampling of specialty events including ski days, bowling, comedy nights, guest lecturers, and world-class entertainers.

Campus Clubs/Organizations

- More than 60 student organizations; many with national affiliation
- Clubs participate in regional and national competitions
- Educational and professional organizations
- Cultural, service & social clubs
- Religious groups
- Opportunities for international travel

Cultural Events and Entertainment

- Arts on Tour Series
- Diversity Week
- Faulkner Planetarium
- Homecoming Week
- Herrett Center for Arts & Science
- Snake River Honors Symposium

Sports and Recreation

- NIRA: Men/women's rodeo. 2001, 2002 NIRA men's rodeo national champions
- NJCAA: Men/women's basketball, men's baseball, and women's volleyball and softball
- 1993-1998, 2001, 2009-NJCAA women's volleyball national champions

Intramurals:

Broad range of individual and team sports.

Outdoor Program: Climbing, hiking, kayaking, rafting, skiing, scuba, and more.

Student Services

- College developmental courses to enhance English, reading, math, spelling, vocabulary, and study skills
- Career, educational, and personal counseling
- Child Care Center
- Educational advising for degree and non-degree seeking students
- Student Health Center
- Veterans and Multi Cultural Student Services
- Services Disability Services
- Off-campus job referrals
- 24-hour campus security

Admission Requirements

CSI is an open-door, equal-opportunity institution and welcomes any student who can benefit from our educational offerings. We set no deadline for general admission (exceptions noted below) and place no limits on the number of students admitted.

Prospective Students Must Submit

- Application for admission
- Official final high school transcript or GED
- CSI COMPASS or ACT placement exam scores (previous college transcripts if applicable).
- Additional testing and/or application requirements for some programs

Application deadlines

- Registered Nursing: Feb. 15 & Aug. 15
- Practical Nursing: Feb. 15 & Oct. 15
- Surgical Technology: May 15
- Dental Assisting: June 1
- Radiologic Technology: June 1
- Surgical First Assisting: Aug. 1
- Medical Assisting: Aug. 1
- Paramedic: Oct. 1
- Emergency Medical Technology: 7 days prior to the start of each semester

Financial Aid

CSI participates in all federal and state financial aid programs providing grants, loans, and college work study for students.

- Submit the FAFSA and apply for admission to CSI
 - CSI awards nearly \$1,000,000 annually in scholarships
 - March 1 - Scholarship application priority deadline
- The CSI Foundation matches Idaho's \$250/semester "Promise B" scholarships. Idaho students who had a high school 3.0 cumulative GPA or higher or who score at least 20 on the ACT, and who maintain at least a 2.5 GPA get the matching funds each semester at CSI.

Types of Awards

Most scholarships are awarded on scholastic merit; however, some are need based.

- General Scholarships: Based on GPA, major field, leadership
- Fine Arts: Recognizes talent in art/photography, music, theater/speech. Auditions in February
- Honors Fellowships: For qualifying Honors students
- Athletics: Qualifications are set by the coaching staff of each intercollegiate sport
- Promise B Scholarship: 100% match by CSI

Housing

- Eagle Residence Hall houses 118 men and 128 women in separate wings
- A \$100 security deposit is required to reserve a room
- Dorm computer lab includes free e-mail and Internet access
- Apply early to secure on-campus housing
- Off-campus housing referrals in Student Activities Office

Campus Visits

A visit to CSI's campus will offer you the opportunity to experience CSI first-hand! Tour the college, observe classes, meet students and faculty, and attend athletic or social events. Contact the Student Activities Office at least a week prior to arrival.

With so many choices, CWI allows you to start your college education without traveling far from home. We offer day, evening, weekend, and online classes.

The College of Western Idaho (CWI) is bringing expanded educational opportunities to the residents of the Treasure Valley. As Idaho's newest community college, we are eager to provide quality teaching and learning that's affordable and within reach, regardless of time and distance. CWI offers a full range of academic courses leading to an associate degree and prepare you to transfer to a four-year college or university to complete a baccalaureate degree. CWI has articulation agreements with both public and private colleges and universities that will take your associate degree credits from us with no strings attached. CWI also serves as the Idaho State Board of Education designated provider of Professional Technical Education in Southwest Idaho. At CWI you will find Adult Basic Education, Workforce Development Training, Professional Technical Education, Liberal Arts and Transfer degrees, and community interest and enrichment class opportunities!

Academic Information

College of Western Idaho – Idaho's newest community college – is providing exceptional learning programs to a diverse group of students with different goals, unique histories and at varying stages of their learning journey. Our mission is to provide a public, open-access, and comprehensive community college committed to providing affordable access to quality teaching and learning opportunities to the residents of its service area; this means YOU! Our class offerings and programs will open exciting educational and career opportunities for you. We are here to help you achieve your goals of a bright future.

Transfer

Enrolling at CWI is an affordable path preparing you to continue for a bachelor's degree. Our associate degree programs meet core requirements allowing for easy transfer to four-year colleges and universities. Your degree will include lower division courses in your major interest area. Majors available include Biology, Communication, Elementary Education, Psychology, Nursing, and many more. For a complete list visit www.cwidaho.cc/programs-and-degrees/catalog-andclass-schedule.

Professional Technical Education:

More than 30 well-known certificates and degree programs can transition you right into the workforce. The Professional-Technical programs range from four to twenty-four months providing you a fast-track from a student to an employee.

Campus Life

Located in the Treasure Valley, you will discover endless fun and enrichment opportunities outside the CWI classrooms. From outdoor adventures to lively social activities, the valley holds no bounds for enhancing your college experience. At CWI you will find a culture of inclusiveness, innovation and a passion for learning shared by the CWI faculty, staff, and fellow students.

Campus Clubs & Organizations

Students who choose CWI have a unique opportunity to become leaders of student clubs, organizations, and student government. Whether your interests lie in clubs with a focus on culture, service, academic or of a competitive nature, you will find opportunities to engage in a variety of student activities at CWI!

Student Services

At CWI you will find our One Stop Student Services Centers allow you to accomplish all necessary tasks without running to different offices all over campus:

- Admission
- Financial Aid
- Advising
- Registration
- Student Accounts
- PACE
- Center for New Directions (CND)
- Career and College Transfer Center (CCTC)
- Assessment

CWI is student driven. The caring nature will be felt the moment you walk through the door.

Program and Degree Offerings

CWI has more than 200 credit and non-credit programs to choose from. Our Lower Division Transfer academic courses allow you to complete your general education requirements and begin courses in your chosen major designed to transfer to a 4-year college or university. In addition, we offer numerous career focused programs that will allow you to enter the workplace with the skills you need to be successful. Some of our most popular programs include Culinary Arts, Criminal Justice, Elementary Education, Nursing, Information Technology, and Welding.

Faculty and Staff

A feature you will not find at any other school is our charismatic faculty and staff. All instructors and staff members have come to CWI because they are excited about the diversity found at a community college and its mission to provide affordable, quality education to everyone—they want to help

students achieve their goals. Our faculty is both experts in their fields and master teachers. You will feel the support and dedication from everyone at CWI while you pursue your educational goals.

Financial Aid & Scholarships

Tight finances don't have to be a barrier to your college education. At just \$129 per credit, your financial aid and scholarship dollars go farther at CWI! Staff at any of CWI's One Stop Student Services Centers is ready to help connect you to sources of financial aid that will make your education at CWI even more affordable.

CWI helps connect students to financial aid from many sources, primarily federal aid, state aid, institutional aid, and outside scholarships.

Special Admission Deadlines

- Registered Nursing: Jan-March 15th
- Surgical Technology: Jan-March 15th
- Dental Assisting: The priority application deadline for a Fall Semester start is May 1st and November 30th for a Spring Semester start.

Campus Visits

CWI is growing! We serve Idaho's Treasure Valley, which means we have campus location options near you for your convenience:

- Nampa Campus off Idaho Center Blvd. in Nampa
- Ada County Campus at the Black Eagle Business Park in Boise
- Canyon County Center on the Nampa-Caldwell Blvd.
- CWI @ Boise State University at 1464 University Drive

Students and parents are invited to visit any campus location at anytime, or schedule a personal tour with a One Stop Student Specialist by calling (208) 562-3000. With so many choices, CWI allows you to start your college education without traveling far from home.

We offer day, evening, weekend, and online classes to meet your needs.

Accreditation

College of Western Idaho delivers college credit instruction, certificates and degrees through its memorandum of understanding with the College of Southern Idaho (CSI). CSI is accredited through The Northwest Commission on Colleges and Universities (NWCCU). Credits, certificates and degrees earned at CWI appear on CSI transcripts and are transferable to four year institutions, subject to the specific policies of those institutions.

EASTERN IDAHO TECHNICAL COLLEGE

Eastern Idaho Technical College (EITC) is a comprehensive technical college operated under the authority of the Idaho State Board for Professional-Technical Education. Pre-employment technical programs and continuing education courses operate in response to the unmet needs of regional employers and the interests of the students. Anyone seeking an affordable education leading to a new technical occupation or wishing to improve skills related to existing employment will benefit from EITC services.

Eastern Idaho Technical College (EITC) is a comprehensive technical college operated under the authority of the Idaho State Board for Professional-Technical Education. Pre-employment technical programs and continuing education courses operate in response to the unmet needs of regional employers and the interests of the students. Anyone seeking an affordable education leading to a new technical occupation or wishing to improve skills related to existing employment will benefit from EITC services.

Academic Information

EITC offers a variety of Certificate and Associate of Applied Science degree options available to students.

Opportunities for Students

- Access to Faculty. EITC has a 15 to 1 student to teacher ratio
- Most programs include a supervised work or clinical experience
- Classes involve a combination of lecture and "hands-on" experiences
- Career placement services
- EITC Tutoring Center
- Personal and professional counseling through our Center for New Directions
- Students have access to high-speed wireless internet
- Enhanced learning through classrooms equipped with SMART Technology

Programs of Study

Numerous options to explore in Business, Health Care, Trades and Industry, Fire Service, Environmental, and Community Education.

Special Programs

- Regional Adult Learning Center
- Workforce Training & Community Education
- Fire Service Training
- Environmental Safety and Health
- Professional Truck Driver Training
- Radiation Safety
- Energy Systems Technology

Business, Office and Technology Division

- Accounting Technologies
- Business Technologies
- Computer Networking Technologies
- Legal Technologies
- Marketing & Management
- Office Technologies
- Web Development Technologies

Health Care Technology

- Dental Assisting
- Medical Assisting
- Medical Office Specialist
- Practical Nursing
- Registered Nursing
- Surgical Technology

Trades and Industry

- Automotive Technology
- Diesel Technology
- Welding Technology

Campus Life

The EITC campus community is small, yet vibrant. Our size allows all interested students the opportunity to participate in activities. Students may interact at social events such as the fall and spring barbecues and dances; or they may participate in community service activities. Additionally, many recreational activities such as skiing, fishing, boating, and golfing are within minutes of the campus.

Campus Clubs/Organizations

- Registered Nursing Club
- BPA - Business Professionals of America
- Skills USA VICA
- DEX - Delta Epsilon Chi (Marketing)
- SIFE - Students in Free Enterprise
- Student Medical Assisting
- Student Senate

Housing

On-campus housing is not available.

Admission Requirements

Eastern Idaho Technical College typically accepts applicants who are high school graduates or the equivalent. Other applicants may be accepted based on a review and evaluation of their education, interests, aptitudes, and experiences.

Please see the individual program description in the EITC catalog to determine if additional requirements must be fulfilled. The following represent the standard requirements

of all programs. However, additional pre-admission procedures exist for some programs.

- Students who have completed all entrance requirements are accepted on a first-applied, first-considered basis
- Applicants are urged to begin the admission process early to ensure acceptance into a desired program

Prospective Students Must Submit

- Common Application
- \$10 non-refundable application fee
- Official high school transcript or GED test scores required where applicable
- Complete the COMPASS Placement Test, SAT or ACT. Achievement testing constitutes part of this assessment process

NOTE: To schedule an interview with an admissions counselor call (208) 524-3000 ext. 3371 or 1-800-662-0261.

Financial Aid

EITC offers a full range of financial aid for those who need help with expenses.

- FAFSA required
- Acceptance into a program of study also required
- Priority processing deadline for fall: June 1

Types of Awards

- Grants: Based on financial need
- Scholarships: Merit and/or financial need. (Deadline: March 1)
- Part-time work: Work experience in program of study
- Loans: Low interest and deferrable federal government guaranteed loans
- Agencies: Workforce Investment/Job Service, State Division of Vocational Rehabilitation, Veteran's Administration Benefits

Campus Visits

EITC encourages students and/or parents to visit the campus to see all that EITC offers. Counselors and instructors are available for campus tours and to answer questions regarding full or part-time enrollment. Call (208) 524-3000 ext. 3337.

Or e-mail annalea.avery@my.eitc.edu

IDAHO STATE UNIVERSITY

Discover a school where you can enjoy meaningful relationships with faculty and friends, explore a variety of quality programs, and benefit from an academic reputation that reaches far beyond the Idaho border. Idaho State University is a place that leads through innovation and creativity: a place where you always come first. Located in Pocatello, ISU is a welcoming community minutes away from some of the world's finest recreation areas. Discover your future at Idaho State University.

Academic Opportunities

At ISU you'll discover stimulating ideas and new ways of thinking as you are mentored by distinguished faculty and staff who are passionate about your success. You'll become part of a vibrant institution rich in tradition and spirit, where you can explore academic opportunities through 287 degrees and certificate programs across seven different colleges including: Arts and Science, Business, Education, Engineering, Health Professions, Pharmacy, and Technology.

Additional academic opportunities include:

Early College (Concurrent Enrollment and Tech Prep):

Why wait to benefit from an ISU education? Concurrent Enrollment and Tech Prep are both ways you can start earning Idaho State University credit while in high school. For more information contact us at (208) 282-6067 for Early College academic classes and (208) 282-4663 for Tech Prep classes.

Honors Program: The University Honors Program can immerse you into a world of discovery, as you are welcomed into a small research team composed of both faculty and classmates. In this environment, professors become mentors and classmates become friends and colleagues. Imagine graduating with the only Honors Bachelor's degree in Idaho, as you emerge as a scholar forever changed by your experience.

ISU Academic Outreach Sites: Access the benefits of an ISU experience throughout Idaho at our state-of-the-art facilities at University Place in Idaho Falls (see page 34), and our Boise and Twin Falls outreach centers.

- ISU at University Place in Idaho Falls offers Associate, Bachelor, Master's and Doctorate degrees. For more information see page 34
- ISU in Boise offers professional coursework in one associate, four baccalaureate, and nine graduate programs, mostly in the Health Professions. For more information contact (208) 373-1700
- Four ISU Baccalaureate, four Master's, and one Doctorate degrees are available in Twin Falls. For more information contact (208) 763-2101

in FYS learn how to meet the expectations of college, become a part of the ISU community by making connections with students, staff, and faculty members alike, and are empowered to make decisions that prepare them for the rest of their lives.

Campus Life

ISU provides an endless variety of excellent extracurricular opportunities for you to get the most out of your college experience. Whether you participate in student organizations and clubs, student government, study abroad, national student exchange, sports or any other of the numerous activities on campus, you're guaranteed an exceptional experience.

Clubs and Organizations

There are over 150 student organizations on the ISU campus including:

- Social clubs
- Professional organizations
- Service clubs
- Ethnic organizations
- Religious clubs and organizations
- Athletic and Intramural clubs

Sports and Recreation

- NCAA Division 1 Big Sky Conference. Men's sports: football, basketball, cross-country, tennis, indoor & outdoor track & field. Women's sports: basketball, cross-country, golf, tennis, indoor & outdoor track & field, soccer, volleyball, and softball
- Several club sports including baseball, men's/women's rugby, dance, rodeo, plus many more
- ISU has one of the first and finest outdoor programs on a university campus in the U.S.
- The Wilderness Rental Center provides all types of outdoor equipment to students for a reasonable price
- Reed Gym houses one of the largest indoor climbing walls on a college campus, along with a swimming pool, indoor tennis courts, weight rooms, basketball courts, and more
- Minutes away from skiing, hiking, fishing, camping, and mountain biking

Student Services

Numerous services are available for students, some of which include:

- Career Counseling
- Student Health Center
- Free Tutoring
- Academic Skills Center, offering assistance in math, English, study skills and reading
- Academic Advising
- On-site child care facility

Housing

Living on campus you'll have opportunities for involvement, academic support, and social interactions that can lead to a unique and memorable college experience. ISU Housing provides both apartments and residence hall accommodations. Many amenities are also available within housing, including free cable, high-speed Internet access,

computer labs, entertainment rooms, and a snack bar for late night studying. By living on campus, you will become part of an emerging community that is as energetic and diverse as the individuals who comprise it.

Admission Requirements

To be considered for admission to Idaho State University you must meet high school core subject requirements established by the Idaho State Board of Education. Students not meeting these requirements may be considered for provisional admission based on a predicted ISU grade point average, derived from a combination of college core subject grade point average and ACT or SAT scores. Students not meeting provisional admission may petition the Admission Committee for consideration. Students are encouraged to submit application materials early in their senior year.

Prospective Students Must Submit

- Web Application (available at apply.isu.edu) or hardcopy application
- \$40 application fee
- Official high school transcripts
- Official ACT or SAT scores

Financial Resources

Idaho State's low tuition makes for an exceptional education value. In addition, ISU has various need-based aid and merit scholarships to make attending college even more affordable. Financial aid and scholarship counselors are available to discuss options and assist with the application process.

Types of Awards

- Need: Based on information provided on the Free Application for Federal Student Aid (FAFSA)
 - Performance: Auditions required for athletics or the arts
 - Merit: Students who submit the application materials by February 15 will be eligible for consideration for all academic scholarships. Awards are based on college core subject and high school grade-point averages, ACT or SAT scores, AP and honor classes, and activities which demonstrate leadership and talent.
 - ISU will match the Idaho Promise B Scholarship
- For more information regarding scholarships and financial aid, contact us at the Office of Financial Aid at (208) 282-2756 or Scholarship Office at (208) 282-3315.

Campus Visits

The best way to discover ISU is to visit us. While on campus you can meet with faculty, sit in on a class, have a student ambassador show you the campus, meet with an admissions counselor, be an overnight guest in one of our residence halls, and take part in campus activities.

To arrange your personal visit, please call us in advance at (208) 282-2122.

Facebook: Lewis-Clark State College New Student Recruitment

Students on the trail of a quality, highly personalized education complemented by a distinctive small college environment will want to explore Lewis-Clark State College (LCSC). LCSC employs dedicated personnel who are committed to making the college an excellent and truly unique undergraduate institution. Located in Lewiston, the tree-lined campus blends traditional and modern structures. LCSC students have the opportunity to enjoy wilderness and recreation areas, many of which are just a few miles away. In all regards, LCSC is a quality institution.

Academic Information

Lewis-Clark State College is a state-supported institution governed by the Idaho State Board of Education. LCSC offers several degrees (Bachelor, Associate, Certificate) in academic and professional-technical programs.

Accreditations

- College - Northwest Commission on Colleges and Universities
- Nursing program - Commission on Collegiate Nursing Education (CCNE) and Idaho State Board of Nursing
- Education program - National Council for Accreditation of Teacher Education and the National Association of the State Directors of Teacher Education and Certification
- Social Work program - National Council on Social Work Education
- Medical Assistant program - Commission on Accreditation of Allied Health Education Programs
- Select majors in the Business Division - International Assembly of Collegiate Business Education

Extended Campus Locations

- Coeur d' Alene
- Grangeville
- Orofino

Campus Life

At LCSC, students have a great opportunity to contribute to college and community life. Learning and growing experiences occur inside and outside the classroom.

Athletic and Student Activities

- NAIA Division I Frontier Conference—Baseball (16 National Championship titles), women's volleyball, men's/women's basketball, tennis, cross-country, women's track and field, and golf
- All teams have gone to National Competition within the last five years
- LCSC has been the NAIA World Series host since the spring of 2000
- Over 40 intramural and recreational sports
- Mild winters and early springs provide year-round outdoor activities
- LC has an extensive outdoor recreation program allowing students to take advantage of the outdoor opportunities that surround Lewiston
- LC offers over 60 active Clubs and Organizations ranging from Associate Student Body to Spanish. For a complete list of clubs and organizations, check out www.lcsc.edu/studentclubs

Admission Requirements

Students interested in attending Lewis-Clark State College should contact the Office of Admission/Registrar for more information. www.lcsc.edu/admissions

Prospective Students Must Submit

- Admission Application
- \$35 non-refundable application fee
- Official high school transcript or GED test scores
- ACT or SAT test scores for academic students
- Compass Test or ACT or SAT scores for professional-technical students
- Official college/university transcripts

Financial Aid

LCSC offers both merit-based scholarships and need-based aid.

Government agency aid opportunities include:

- Free Application for Federal Student Aid (FAFSA)
- Department of Veteran's Affairs
- Bureau of Indian Affairs

Types of Awards

To receive priority consideration for scholarship opportunities, students must complete the admissions/financial aid process by March 1st:

- Merit-based scholarships are awarded on test score and/or Grade Point Average
- Foundation Scholarship: GPA 3.5; \$1250/semester; renewable for 4 years
- Presidential Scholarship: GPA 3.5; \$500/semester; renewable for 4 years
- Provost Scholarship: GPA 3.0; \$250/semester; renewable for 2 years
- Freshman Scholarship: GPA 3.5; \$250/semester; Freshman year
- Counselor Leadership: GPA 3.0; \$250 to be used for the first year of enrollment. Nominations are provided by high school counselors
- Many more LCSC scholarships are available. Refer to the Financial Aid website at www.lcsc.edu/financialaid

Housing

Easy access to classes, campus activities, dining facilities and other services make it convenient to live on campus.

- Meet current LCSC students
- Attend campus events
- Co-ed housing is available at all four halls (Talkington Hall, Clearwater hall, Clark hall, and Parrish House)
- Parrish House is designated for upperclassmen honor students
- Clearwater Hall is a suite-style residence hall
- Inexpensive laundry services
- Study areas and TV lounges
- On-campus housing is not mandatory for incoming freshman

Check out www.lcsc.edu/reslife for more information (includes application process).

Campus Visits

LCSC invites students to visit the campus and experience college life.

- Tour campus with a current LCSC student
- Speak with an enrollment advisor
- Meet professors
- Dine with students at the Student Union Building

Call 1-800-933-5272 ext. 2378 to set up a campus visit (try to allow 2 weeks notice if possible).

Connecting Learning to Life

NORTH IDAHO COLLEGE

Academic Information

NIC offers both an Associate of Arts and Associate of Science to provide a solid foundation of general core classes toward your Bachelor's degree.

NIC offers many certificate and Associate of Applied Science degrees to provide specialized training for your chosen career that may not require more than 9 months in school.

Transfer Programs

NIC can fulfill the first half (100 and 200-level courses) of many different Bachelor degree programs. Choose from over 40 academic program areas or "majors."

Transferring credits is easy. An Associate of Science degree fulfills the general core requirements at all of Idaho's public four-year institutions. An Associate of Arts degree creates a smooth transition to most private and out-of-state institutions.

Professional-Technical Programs

NIC provides specialized training in 36 professional-technical programs that lead to certificates or associate of applied science degree, or apprenticeship. Many programs require or encourage internships as part of the program.

NIC Professional-Technical students can move into the workforce immediately with most students finding jobs before they graduate.

Campus Life

Academics and extracurricular activities go hand-in-hand at NIC. And there are no juniors and seniors here, so opportunities are wide open for all our students!

With a new residence hall, new Health Sciences Building, an active student government, and unlimited opportunities in clubs, intramural sports, and outdoor recreation, our students have the best of all worlds.

A typical day at NIC?

1. Bike or rollerblade along the Centennial Trail
2. Breakfast
3. Attend classes
4. Take advantage of free tutoring
5. Cruise Lake Coeur d'Alene in a kayak or go snowboarding with the Friday Afternoon Club in the winter
6. Dinner
7. Study at beach

Come study on the shores of Lake Coeur d'Alene, a destination resort town filled with an abundance of recreational opportunities. NIC is a comprehensive two-year community college providing both academic and professional-technical programs. The Coeur d'Alene community offers the perfect mix of outdoor recreational opportunities with the conveniences of a major city (Spokane, Washington) located only 30 minutes away.

Faculty/student ratio	1/16
Average Class Size.....	25
Total Enrollment.....	5,659
Majors.....	70

COST

Below are the estimated costs for a full-time student. Personal and transportation expenses will vary depending on circumstances.

2010-2011 Academic Year

	Semester	Year
County resident	\$1,329	\$2,658
Room & board	\$3,000	\$6,000
Books & supplies	\$500	\$1,000
Total (in-state)	\$4,829	\$9,658
Out-of-state	\$3,605	\$7,210

Part-time fees: \$121 first credit/\$110 per credit for 2-11 credits.

Campus Activities/Organizations

- Associated Students of North Idaho College (ASNIC): Get involved with student government and run for office
- Many clubs to choose from: academic, cultural, social, and religious
- The Sentinel: Join the staff of one of the nation's top collegiate newspapers
- Theater/Music: Perform in a drama or musical group
- Business Professionals of America: participate and rank in state and national competitions

Cultural Events and Entertainment

NIC is the core of arts and entertainment for the Coeur d'Alene community. The campus boasts popular student- and community-sponsored events throughout the year.

- Comedians and school plays
- NIC Symphony Orchestra & Jazz groups
- Jazz and Concert Band
- Spokane Symphony

Sports and Recreation

- Men's Varsity teams: basketball, soccer, golf, wrestling and cheer
- Women's Varsity teams: basketball, soccer, softball, golf, volleyball and cheer
- Outdoor Pursuits: school-sponsored rafting trips, ski club, cross country skiing, snowboarding, snowshoeing and backpacking. Rent equipment from NIC to create your own adventures
- Intramural Sports: student recreational leagues include basketball, dodgeball, flag football, volleyball, softball, tennis, and more

Student Services

- Advising Specialists
- Career Center
- College Skills Center (two hours of free peer tutoring per week per class)
- Health Services
- Therapeutic Counseling Services
- Center for Educational Access
- Disability Support Services
- Minority Student Advisor

Admission Requirements

Our open-door admission policy makes students who have graduated from an accredited high school or have completed their GED eligible for admission to North Idaho College. Some programs have limited enrollment and/or selective admission processes.

Prospective Students Must Submit

- Application for Admission
- \$25 application fee
- Official high school transcript or GED transcript

Financial Aid

NIC disbursed over \$14.1 million in financial aid last year. Follow these easy steps:

- Submit the FAFSA and apply for admission by March 15 (priority date)
- Submit the NIC scholarship application by March 15

Types of Awards

- General Scholarships: Awarded on GPA, major, leadership, and need, plus department grants for various areas of study
- Grants and Loans: Federal and State funds available
- Work Study: Many jobs available right on campus
- Athletics: Scholarships are offered for all sports. Qualifications are set by the coaching staff

Housing

NIC's modern, new residence hall is located in the center of campus and is an easy, short walk to the beach and downtown Coeur d'Alene. Check it out at www.nic.edu/sub/housing.

- Single and double rooms
- Semi-private bathrooms
- Hookups for cable and internet
- DVD theater lounge
- Laundry facilities
- Dedicated parking
- Indoor bicycle storage
- Earn room/board while working as a Resident Advisor

Campus Visits

Students and parents are invited to visit NIC and see the campus up close and personal. Just call 769-3311 or visit www.nic.edu/admissions/visit

- Individual tours offered Monday-Friday by appointment
- "First Friday" campus visit programs offered the First Friday of each month (Oct. - May)
- Meet instructors and students
- Observe a class
- Attend an athletic, music, or theatre event
- Take a walk on the beach!

Ideas and ideals come to life at Northwest Nazarene University (NNU), where the commitment is to academic excellence within the framework of strong Christian faith. Within this challenging academic environment, professors are dedicated to personalized instruction and students find daily opportunities for spiritual growth and emotional maturity. NNU has long earned distinction because of its academic reputation and high student satisfaction.

Academic Information

Accredited by the Northwest Commission on Colleges and Universities, NNU offers over 60 major areas of study within six academic schools.

- Arts, Humanities, and Social Sciences
- Business
- Education, Social Work and Counseling
- Nursing and Health Sciences
- Science and Mathematics
- Theology and Christian Ministries

Opportunities for Students

Pathways to learning at NNU are not restricted by classroom walls. Each year hundreds of students practice active learning through:

- Internships in major corporations and local businesses
- International travel and study experiences
- Student teaching and other educational field experiences
- Performance and travel with music ensembles and speech/debate teams
- Freshman Honors Program offering accelerated freshman courses
- Summer fellowships in physics and chemistry research
- Additionally, NNU is a completely wireless campus allowing any student to study anything, anywhere on the 85-acre campus

Campus Life

NNU's geographically diverse student body provides a dynamic and exciting community. Involvement in student life begins with "New Student Orientation" and remains a central focus throughout the students' college years. Many opportunities are available for involvement in athletic, social, community service, and ministry organizations.

Sports and Recreation

NNU is a member of the NCAA Division II, in the Great Northwest Athletic Conference, and offers the following sports:

- Basketball (Men's and Women's)
- Soccer (Men's and Women's)
- Cross-Country (Men's and Women's)
- Track (Men's and Women's)
- Volleyball (Women's)
- Baseball (Men's)
- Golf (Men's)
- Softball (Women's)

Student Services

- Study Skills Lab
- Campus Chaplain
- Campus Health Center
- Individual/Career Counseling Services
- Counseling Center
- Peer Tutors
- Multicultural Affairs Office

Admission Requirements

Admission is routinely granted to candidates who have graduated from an accredited high school and have maintained at least a 2.5 grade point average, have a minimum ACT composite score of 18 or a minimum SAT math and reading composite score of 870, and have graduated in the upper one-half of their class.

Prospective Students Must Submit

- NNU application for admission
- ACT or SAT score
- Official High school transcript
- Two recommendations
- \$25 application fee

Financial Aid

Financial aid at Northwest Nazarene University is awarded according to both need and merit. By filling out the NNU Application for Admission and the Free Application for Federal Student Aid (FAFSA), students are eligible to be considered for all scholarships and need-based aid. Ninety-one percent of all students receive some form of financial aid.

Types of Awards

- Academic Scholarships: Based on GPA, ACT or SAT Scores
- Need-based: Student must file the Free Application for Federal Student Aid (FAFSA)
- Athletic & music: Separate application and/or tryout or audition required
- NNU Trustee's Award: NNU matches contributions from the student's local church
- All students are considered for any departmental scholarships for which they may be eligible

Housing

NNU highly values the "residential experience" in college life, and makes campus housing available.

- Seven residence halls
- Campus-owned apartments for upperclassmen and married students
- Unmarried students who wish to live off campus must apply for an exemption and meet certain eligibility criteria

Campus Visits

All students and their families are invited and encouraged to visit the NNU campus to

- Attend a class
- Stay in a residence hall
- Eat in the dining area
- Receive a personalized campus tour
- Conference with faculty in major interest area
- Speak with an admissions counselor and financial aid officer

Register for one of the following visit dates online at www.nnu.edu/visitnnu

Friday Escape

- September 24
- October 8 and 22
- January 14 and 28
- February 11

WANTED: Leading Students for Idaho's Leading University!

When you choose Idaho, you will attend one of the leading universities in the Northwest. Our beautiful residential campus in Moscow offers intimate learning experiences that attract many of the best students from the state and nation.

You will benefit from our innovative academic programs, exceptional student living and learning environment, outstanding research opportunities, and proven track record for high-achieving graduates. All of these can lead to an exciting and successful future.

We invite you to join us and become part of our tradition of leadership that dates back to 1889. Through insight and innovation, the students, faculty, staff, and alumni of the University of Idaho are enriching the lives of people throughout the region and the world.

Academic Information

Our students study side-by-side with world-class professors who challenge and encourage them to expand personal and intellectual boundaries every day. This close, personal attention makes us competitive on a national scale in terms of retention and graduation rates.

- UI consistently attracts the state's highest achieving students; average GPAs and SAT/ACT scores are the highest in the state
- Graduate students earn master's and specialist's degrees in 77 fields
- Doctoral degrees are offered in 33 areas of study
- UI is home of the only accredited Law School in the state
- Advanced degrees are offered through regional cooperative programs in veterinary medicine and medical education
- UI ranks second in the Northwest and highest in the state in enrollment of National Merit Finalists
- All students have free, unlimited high-speed Internet access; there is wireless connectivity throughout campus; and the University operates with a new fiber-optic, 2.4 gigabits per-second network connection

Opportunities for Students

- Undergraduate and graduate research
- Regional, national, and international internships
- Study Abroad and National Student Exchange programs

Student Success

- UI students spent their 2010 summer in El Cope, Panama helping local farmers repair their equipment and build a new community meeting room and living quarters for local farmers

- Freshman Katie Ward, placed second in a national snowboard slope style and boardercross competition in March 2010. Ward is a quadruple major and is also working towards two minors
- 176 students took part in Alternative Service Break trips this year through the ASUI Center for Volunteerism & Social Action. Two international teams traveled to Cai Cay, Peru and to Valea Screezii, Romania and 11 teams were sent to areas of the Gulf Coast for hurricane relief work
- Vandal football player Mike Lupati, was chosen 17th overall in the 2010 National Football league draft by the San Francisco 49ers

Campus Clubs/Organizations

- Students can participate in more than 200 academic, community service, cultural, ethnic, sports, and special interest student organizations and clubs
- UI is the only university in the state to offer ROTC programs in all four branches of the military-Air Force, Army, Marines, and Navy
- Multiple faith-based clubs and activities
- Student-run radio station, campus newspaper and magazine

Cultural Events and Entertainment

- The world's top-rated educational jazz festival, the Lionel Hampton International Jazz Festival in February
- Year-round theater, music and dance activities
- Films, lectures, speakers, concerts, and international cultural events

Sports and Recreation

- NCAA Division 1-A athletic teams play in the Western Athletic Conference (WAC)
- 21 club sports and 35 intramural sports
- Student Recreation Center with the tallest climbing wall at any university in the United States

Student Services

- Annual career fair in Moscow for all majors and other career fairs for specific majors throughout the year
- Student employment and job location services assist in finding on and off-campus jobs
- The Office of Multicultural Affairs offers social and educational programs for students interested in diversity

Admission Requirements

- Prospective applicants who graduate from an accredited Idaho high school must complete the minimum courses required by the Idaho State Board of Education

Applicants must also meet the combined GPA and test score requirements outlined at www.uidaho.edu/admissions and must submit:

- Web application or paper application
- \$50 application fee
- ACT or SAT test scores
- Official high school transcript

Financial Aid

The University of Idaho awards more than \$90 million in student financial aid annually, including over 5,000 scholarships

- We participate in all federal and state financial aid programs
- Submit an admission application complete with fee, transcripts and test scores by February 15 for priority consideration for merit-based scholarships
- File a Free Application for Federal Student Aid (FAFSA) by February 15 to receive priority consideration for need-based scholarships and federal financial aid

Types of Awards

- Merit: Based on GPA, ACT or SAT, class rank and activities; the application for admission is the application for all merit-based UI scholarships
- Need-based: Based on the financial status of the student and his/her family; in addition to the admission application the FAFSA is the application for all need-based scholarships and federal programs
- Performance and Leadership activities

Housing

- 17 fraternities and nine sororities offering academic excellence and support and opportunities for leader and volunteer service
- Various single and double room options in the residence halls, including Quiet Halls, Scholar's Halls, Specialty Halls and Living Learning Community (LLC)

Campus Visits

Come visit! Explore the campus, meet faculty members, attend classes and participate in various student activities. For a weekday visit, just call the Office of Undergraduate Recruitment (1-888-884-3246). We encourage high school seniors to attend Envision Idaho on Friday, October 8 and (after application and admission) Vandal Friday, March 25, 2011.

Exciting educational opportunities await you in Idaho Falls! You can take courses from UI and ISU and use them for a degree at either school. We enroll over 3000 students each semester in our high quality academic courses.

Ideally located next to the beautiful Snake River, University Place students can take classes, go for a walk in nearby Freeman Park and still have time for a job and other obligations.

Academic Information

University of Idaho and Idaho State University bring a wide variety of exciting educational opportunities to the Upper Snake River Valley. University Place in Idaho Falls is a great resource for local students. You can save dollars by living at home while taking courses from two of our state's premier universities. A Partnership Agreement between ISU and UI makes it possible for students to take classes from either university.

A rich array of Associate, Bachelor, Master and Doctoral degree programs are offered in their entirety to prepare you for a promising future.

Associate Degrees: Biology, Business, General Studies, History, Math, Physics

Bachelor Degrees: Applied Technology, Business Administration, Elementary Education, Environmental Science, General Studies, Human Resource Training and Development, Industrial Technology, Nuclear Science and Engineering, Nursing (for RN's only), Physics

Opportunities for Students

- Classes are taught by faculty with advanced degrees and expertise in their field
- Faculty are easily accessible to students
- Classroom experience is supported and enriched by free tutoring and advising
- Classes are offered live, by distance education technology and over the web
- Affordable excellence and accessibility are provided

Admission Requirements

Students at University Place apply for admission to University of Idaho or Idaho State University and must meet the admission requirements of their respective universities. Students can apply to be a "guest" at the other school.

Academic Advising and Career Counseling

Professional staff in the University Place Student Services office help students by providing information about academic programs of study, major requirements, course prerequisites and equivalencies, financial aid, and campus resources. The Career Counselors in the Career Services office can assist students with career and personal counseling.

Registration, Fees and Financial Aid

Admitted students register through their home university and/or as a "guest" at the other school. Financial aid and scholarships are processed by the home university.

- www.fafsa.ed.gov
- ISU school code: 001620
- UI school code: 001626

Student Support

- Free tutoring including a math lab staffed by faculty and advanced students
- Study skills workshops and classes on transitioning to college
- Personal and career counseling by professional counselors

- On-site student health care from a nurse practitioner
- TRIO and ADA programs and services to all eligible students
- VA benefits counseling
- Financial aid and scholarship assistance
- Early Learning Center with reasonably priced child care
- Scholarship programs that are unique to the Idaho Falls campus

Get Involved!!!

By participating in activities such as live music at lunch, barbecues, Welcome Week, karaoke, pizza and prizes, UP5K Fun Run/Walk for scholarships to benefit UP students, blood drives, lectures, clubs and service organizations, students can have fun and meet other students. ISU/UI students who qualify can take advantage of a reduced fee membership at Apple Athletic, free movie passes, and tickets to see the Idaho Falls Chukars.

Campus Visits

Call (208)282-7900 or 282-7800 to visit University Place or just stop in. We are located at 1784 Science Center Drive in Idaho Falls, next to Freeman Park.

IDAHO TECHNICAL COLLEGE SYSTEM

Many of the fastest growing careers require education beyond a high school diploma but not a 4-year college degree. Professional-Technical Education programs in the Idaho technical college system prepare people for these occupations.

**Idaho Division of
Professional-Technical
Education**

Program Information

- The Idaho Technical College system consists of six technical colleges; one located in each region of the state. The technical colleges are: North Idaho College, Coeur d'Alene; Lewis-Clark State College, Lewiston; College of Western Idaho, Nampa; College of Southern Idaho, Twin Falls; Idaho State University, Pocatello; and Eastern Idaho Technical College, Idaho Falls.
- The Technical College programs are structured to meet the demand for workers in the professional and skilled trades that require less than a 4-year college degree. With many technical programs, students may complete a certificate and exit into the workforce or continue their training toward a higher certificate or degree. The certificates and degrees offered in the technical college system are:
 - Postsecondary Technical Certificate: minimum of 8 credits, about one semester
 - Technical Certificate: minimum of 27 credits; about one year
 - Advanced Technical Certificate: minimum of 52 credits; about two years
 - Associate of Applied Science: minimum of 60 credits which includes 16 general education credits; about two years
- Postsecondary technical education is becoming the new minimum requirement for the majority of jobs in Idaho and the US. The continued success of Idaho's economy depends on an increasing supply of professional and technically trained employees. Professional-Technical Education is Idaho's primary source of these skilled workers.

Benefits to Students

- Instructors from business and industry who bring years of work experience to the classroom
- Smaller classes with more personalized attention for students
- Education tied to employment that may include internships, clinical experience, or apprenticeships
- Skills that lead to employment opportunities in jobs with higher than average wages
- Tech Prep Credit options to earn college credit while in high school
- Leadership training and skill development through hands-on experience in professional-technical student organizations

Admissions Requirements

Idaho's public technical colleges practice open enrollment in the technical programs. This means that students who need educational services are allowed to enter the system at some level. However, it is recommended that students complete the following standards in high school or prior to seeking admission to a certificate or degree through a professional-technical program.

- 4 credits of math (6 recommended)
- 4 credits of natural science (6 recommended)
- 8 credits of English
- High School Diploma
- Placement examination (CPT, COMPASS, ASSET, ACT, or SAT)

Students can be admitted who do not meet these admission standards but may be required to improve and/or remediate their skills in certain academic areas prior to regular enrollment in the professional-technical program. Contact the admissions office at the technical college of your choice for more information.

Financial Aid

Idaho technical colleges participate in all federal and state student financial aid programs providing grants, loans, and college work study.

The Idaho Promise A Scholarship and the Idaho Governors Cup Scholarship provide scholarships for professional-technical students. Students should check with their high school counselor for more information.

Students interested in applying for scholarships to individual technical colleges should check with their high school counselor or technical college of interest by December for applications and deadlines.

Scholarships are available through student professional-technical organization foundations and private businesses that support professional-technical education in Idaho. Contact the Scholarship or Financial Aid Office at the technical college of choice.

- Designates an active approved Professional-Technical program and/or option.
- * Degree involves combination of two or more programs.
- ** Please contact institution for information on specific areas of specialty for each option offered.

work & play

ARE THE SAME THING, WHEN
YOU'RE DOING WHAT YOU
LOVE TO DO!

Use the Career Information

System's eCIS to discover how your interests can help you prepare for a great life beyond school. eCIS access is available through all Idaho high schools. You can use it at school or anywhere else with Internet access. It has volumes of information to help you make informed decisions. eCIS helps spark your imagination and helps you map out a plan for the future you'll love!

Use eCIS at school or at home to...

- Learn about occupations
- Research colleges and technical schools
- Understand education and training options
- Find scholarships and financial aid
- Prepare for the job hunt
- Create a resume*

Also in eCIS...

- Answers to questions about the financial aid application process
- Advice on choosing a school
- Suggestions to help you find, interview for, and keep a job
- "My CIS Portfolio*": save your favorite information, establish a career plan and a year-by-year education plan, or generate a customized resume displaying your own education, work history, skills, and assets

Log on to eCIS at www.idahocis.org

(See your school counselor for a user name and password.)

* Available at schools that subscribe to these modules
